SIR,

Subject:- Employing local electric operators as Inspectors of touring Cinemas.

...

With reference to your letter No.P.5352-5 Legis.38-36-2 dated 4/5-3-37 calling for my views in regard to the suggestion made by the District Magistrate, Kolar, I have the honour to state that in my opinion there seems to be no objection to empower local electrical operators to do the duties of " Inspector" under the Cinematograph Regulation.

Rule 6 (conditions) of the license under the Regulation, indicates that that the Electrical Inspector may inspect the installation of the touring cinemas at each camp and he will therefore have to get T.A.on this account. The Exhibitor may be required to pay a fee to Government for every such inspection. To avoid delay, the company may pay the fee at any Treasury and on production of the treasury chellan before the nearest office of the Electrical Department, the local officer should forthwith inspect the Cinema and furnish the necessary certificate.

I have the honour to be,

Sir,

Your most obedient servant,

INSPECTION OF TOURING CINEMAS.

With reference to your letter No.P-5352-5/Legis-38-36-2 dated the 4/5th ultimo, I have the honour to state that at present the owners of the Touring Cinemas bear all the Travelling Expenses of the Government Electric Inspector and his staff whenever he is called upon to inspect such cinemas, and not the Government, as stated by the District Magistrate, Kolar, in his letter dated 22nd February 1937, a copy of which was enclosed with your letter under reference.

However, in the interests of all concerned, I am of the opinion that the first inspection of the cinema should be made by the Government Electric Inspector and subsequent inspections during the year by the local Senior Operator of the Electrical Department stationed in the place, whose report should be submitted to the Government Electric Inspector for suitable recommendation

being made to the District Magistrate. (8
